WARNING: CONTAINS SATIRE

The dangers of arbitrary and inconsistent viewpoint censorship are only exacerbated when enforced by police states (that masquerade as democracies) using opaque procedures that fall egregiously short of due process and are insensitive to context, such as sarcasm, comedy, lampooning, parody, humor, satire and socio-political commentary.

Arabs in Palestine have *rejected numerous Israeli proposals* for a two-state solution and, in fact, *reject Israel's right to exist* at all. They supported our brave efforts during WWII to exterminate all Jews; therefore the European Union (*the de facto 4th Reich*) will now welcome the entire populations of the West Bank and Gaza as refugees. Heil Merkel ! Heil Trump !
